NO. 32

Mrs. Humbert Is New Chairman Of Heart Drive

The Putnam County Heart Association today announced the appointment of a chairman and vice-chairman for the 1965 Heart Fund campaign here.

Mrs. Russell J. Humbert, wife of the late DePauw president, has been named chairman and Norman L. Donelson, Greencastle's west side druggist, vice chairman according to Miss Carrie Pierce, president of the Association.

"The Heart Fund is a great crusade against the number one health enemy of our nation in which we all can participate through giving and serving as volunteers. I am happy and proud to serve as chairman of this 1965 drive," said Mrs. Humbert.

Mrs. Humbert came to Putnam County in 1951 from Youngstown O., when her husband, the late Dr. Russell Humbert, was chosen as president of DePauw University. Both Dr. and Mrs. Humbert strongly supported community affairs and since his death in 1962 she has continued this activity.

A graduate of Worchester College in Ohio, Mrs. Humbert is active in the Methodist Church in Greencastle, was a charter member of the League of Women Voters and helped to form the Putnam County Hospital Guild, serving as its president for three years, 1960-63. She is a member of the P. E. O. Sisterhood and belongs to numerous social and literary groups in Greencastle to which she devotes her talents.

The Humberts traveled in Europe and the Scandinavian countries and enjoyed sharing experiences and pictorial accounts of their journeys. Following her trip to the Holy Land this past April, Mrs. Humbert has been busy continuing such practice.

Frequently, in spite of her full schedule, she gives an assist to her three daughters and six grandchildren who live out of state.

Mr. Donelson came to Greencastle almost eighteen years ago. The Medical Representative for Lederle Laboratories in Indianapolis, he purchased Mullins Drug Store following the death of R. P. Mullins. "Don" is active in community affairs serving its interests through various organizations.

He is married and has three daughters.

Advent Services At Local Church

Today marks the first in a series of three special mid-week Advent services to be held at Peace Lutheran Church, 411 East Walnut Street.

During this Advent season (the four weeks before Christmas) the church makes special preparations for the coming of the Christ. The sermons for these Advent services will be based upon Old Testament prophecies of the coming Messiah. The first sermon will be based upon the "Star of Jacob" prophecy made almost 3,500 years ago. It will be followed by "The Branch of Jesse," and "The Lion of Judah."

These 7:30 services are, of course, open to all, and the community is most cordially invited to attend. It is hoped that by preparing for the "Advent" or "coming" of Christ, the real meaning of Christmas may be better understood. This is especially important when this Holy season of Christmas has become just another date on the calendar.

20 Years Ago

Mrs. Clyde Wildmen was hostess at a tea for the DePauw Woman's Club.

Word was received that Cpl. Firman Grimes had arrived safely overseas.

Flying Officer Warren Tucker, of the Royal Canadian Air Force, was home from Ottawa, Canada.

Year On Farm For Young Man

James Santonelli, 20, city, has been sentenced to serve one year at the Indiana State Farm by Judge Francis N. Hamilton.

Santonelli changed his plea from not guilty to guilty to a theft charge in the Putnam Circuit Court.

The defendant was specifically charged with recently taking a Volkswagen, owned by James McMillan, from a parking place on the south side of the public square and driving it to Brazil. He was taken into custody but police in that city and then turned over to local authorities.

Hallie Runnells Rites Thursday

Last rites for Mrs. Hallie Runnells, 76, will be held at the Powell Funeral Home in Coatesville at 2 p. m. Thursday with burial in the Fillmore Cemetery.

She was born April 13, 1888, the daughter of Sylvester and Jennie Mason.

She was married to Thomas Runnells on Feb. 19, 1907. He preceded her in death in 1961. Mrs. Runnells was a member of the Fillmore Methodist Church and the Fillmore Service Club.

She is survived by two daughters, Floy DeSpain, Indianapolis, and Ruth Pritchett, Danville; two sons, Norman, Cloverdale, and Vern, Coatesville, Route 1; one sister, Mrs. Merle Smythe, Coatesville; one brother, Everett Mason, Kokomo; 19 grandchildren and 29 great-grandchildren.

Pope Is Greeted By Huge Crowd

BOMBAY, India UPI — Pope Paul VI arrived in predominantly Hindu India, today as "a pilgrim of peace." Cheers from an airport crowd of 50,000 all but drowned out the engines of his jetliner.

Units of an army of 15,000 guards assigned to protect the pontiff had to keep the crowd from surging up to the big plane when it landed at 5:16 p. m. 6:45 a. m. EST on the Pope's historic flight from Rome.

It was the longest journey ever made by a pontiff.

Threatened demonstrations by militant Hindu organizations opposed to the Pope's visit failed to materialize. Some Hindus regard the Pope's trip as a mission of conversion.

Peron Is Held Under Guard

RIO DE JANEIRO UPI — Ousted Argentine ex-President Juan D. Peron, thwarted in an effort to return to South America, settled down here under guard today to wait for the first plane back to Madrid.

Peron left the Spanish jetliner in which he set out before dawn today for Montevideo, Uruguay, and was escorted to the Air Force headquarters at the Rio airport to wait for his plane.

Brazilian authorities halted Peron when he arrived here at 5:30 a. m. EST from Madrid.

Hoosier Killed

COLLEGE STATION, Tex. UPI — Larry Amidei, 26, Gary, Ind., was killed Tuesday when his small foreign car was hit by a Southern Pacific Railroad freight train.

Amidei, an employee at Texas A&M University, drove into the path of the train just inside the city limits of College Station, where he lived.

Risk Becomes DeMolay Knight

James E. Risk, Master Councilor, Roachdale Chapter, Order of DeMolay, was inducted into the Order of Knighthood, Cincinnati Priory, in ceremonies conducted at the Masonic Temple in Cincinnati, Ohio on Friday evening, November 27th. This degree was conferred on twenty-three young men between the ages of 17 and 21 from the states of Indiana and Ohio.

In order to be awarded this degree it was necessary for the recipient to be recommended by a DeMolay already holding this degree. At the present time James is the only Knight in the Roachdale Chapter, and is one of a few active Knights in the state of Indiana.

He was accompanied to Cincinnati by his father, James A. Risk, Howard J. Gough of Roachdale and an uncle, Kenneth L. Caldwell of Camden, who witnessed the investiture.

LBJ To Budget For Deficit Come Early January

By United Press International

Conservatives of all parties will find an issue upon which they can agree when President Johnson in early January submits to Congress his 1966 fiscal year budget.

LBJ will budget for a deficit, as usual. Deficits have become a way of political life, especially for Democratic politicians.

For example: The four-year grand total of deficit of the Kennedy-Johnson administration, 1961-64 inclusive, is an imposing \$24.8 billion. President Johnson will add \$5.7 billion to the deficit accumulated at the end of the current, 1965, fiscal year. That will lift the five year deficit grand total to \$30.5 billion. That is big time spending of money, especially when you don't have it.

The budget has not been in surplus or balance with income equal to outgo since fiscal 1960 which ended at midnight June 30 of that year.

There was a surplus of \$1.2 billion that year, an Eisenhower surplus. The previous year, however, Ike had a nightmare deficit of nearly \$12.5 billion.

It is not the taxpayers who are falling in the effort—if there is any real effort—to balance the U. S. budget. Ten years ago, 1955, the taxpayers came up with \$60.2 billion for federal expenses and government cost \$64.3 billion. Treasury income in the current fiscal year is expected to reach \$91.5 billion, \$31 billion more than 10 years ago. But it will not be enough. The Johnson administration will spend nearly \$6 billion more than that, making good on a Parkinson law: That expenditures in government must rise to overtake revenue.

Tourist, Recreation Plans On County-Wide Basis Will Be Topic Here Dec. 8

Rocket's Course May Be Changed

PASADENA, Calif. UPI — Scientists were expected to decide today whether to make a delicate mid-course maneuver Thursday to put Mariner-4 on target for Mars.

Project manager Jack James began consultations with other scientists Thursday at California Institute of Technology's Jet Propulsion Laboratory (JPL) to set a definite time and date for the crucial maneuver.

Mariner-4 is due to fly past Mars July 14 to take the first close-up television photographs of the mysterious red planet on which scientists have speculated some life form might exist.

If the 575-pound windmill-shaped spacecraft continued its present course without any adjustment, it would miss Mars by 151,000 miles.

To take the pictures which may give scientists more vital details of Mars and its intriguing canals, Mariner-4 should come within about 12,000 miles of the Martian surface.

Should the mid-course maneuver prove completely successful, Mariner-4 would zoom past Mars at a distance of only 8,000 miles at the end of its 325-million mile, 7 1/2-month-long journey through space.

James said the mid-course maneuver — to be ordered by radio signal from the JPL control center — depends on precise calculations of the spacecraft's progress.

Kremlin Plans New Shakeups

MOSCOW UPI — The leaders of the Kremlin are planning a new series of shakeups in their campaign to undo former Premier Nikita S. Khrushchev's "hare-brained" mistakes. East European sources said today.

They said the leaders are seriously considering basic changes in the decentralization of Soviet industry promulgated by Khrushchev in 1957.

Other changes could involve the consolidation of some government ministries and possibly a reshuffling of some No. 1 posts.

The sources said that if any changes are decided upon, they will be made at the next session of the Supreme Soviet Dec. 9.

In another development, the new leaders of the Soviet Union were conferring with visiting Czechoslovakian President Antonin Novotny, who was one of Khrushchev's closest East European allies in the past.

The sources said Soviet Communist party chief Leonid I. Brezhnev and Premier Alexi N. Kosygin were discussing Sino-Soviet strategy and the question of postponing a meeting of 26 Communist parties scheduled for Dec. 15.

It has been reported that Khrushchev called the meeting as a prelude to a showdown with the Chinese Communists over his avowed policy of "peaceful coexistence" with the West. Khrushchev's plan ran into opposition from Red China and also — according to some reports — from some of Russia's European allies.

House Speaker

INDIANAPOLIS UPI — Richard Bodine, 36, a Mishawaka attorney, will be the House Speaker in the Democratic-controlled 1965 Indiana General Assembly.

Bodine was selected in a brief caucus Tuesday under the terms of a compromise worked out by Marion and Lake County party chairmen James Beatty and John Krupa. Their two delegations are the largest in the House.

Traffic Toll 1,266

By United Press International

The death of a South Bend girl in a car-train collision Tuesday night raised Indiana's 1964 highway toll to at least 1,266 compared with 1,198 on this date last year.

Portia Jane Garrett, 21, South Bend, formerly of R. R. 1, Owensville, was killed instantly when the New York Central Railroad's combined passenger train, the 20th Century Limited — Commodore Vanderbilt, struck her car at a grade crossing near Osceola.

Rites Thursday For Mrs. Ryner

Mrs. Edith M. Ryner, Coatesville, passed away Tuesday evening at her home.

She was the daughter of James A. and Martha Minter Sharp. She was married to Hall Ryner, and they had resided in the same home where they were married, all their life.

Mrs. Ryner was a graduate of Greencastle High School in 1904. She attended Indiana State College and taught school for several years. She was postmaster at Coatesville several years.

She was a member of New Winchester Christian Church, which her family founded. She was a 55 year member of Groveland Eastern Star and a charter member of the Coatesville Women's Literary Club.

Survivors are the husband; one daughter, Lois York, Coatesville; two sons, Thad Ryner, Coatesville and Commander Evan H. Ryner, Norfolk, Va.; five grandchildren and two great-grandchildren.

Funeral services will be held Thursday at 2:00 p. m. at the Weaver Funeral Home in Danville. Rev. Edgar Byron will officiate. Interment will be in the South Cemetery at Danville.

18 SHOPPING DAYS LEFT

CHRISTMAS SEALS fight TB and other RESPIRATORY DISEASES

1964 Christmas Greetings

Ex-Big Leaguer Will Speak At First Christian

Rev. Russell P. Kemmerer will be guest speaker at the annual Father-and-Son program of the Christian Men's Fellowship in the First Christian Church this Thursday night.

The dinner-program begins at 6:30 p. m. in Fellowship Hall of the church. Reservations for dinner must be made in the church office by tonight.

Rev. Kemmerer is minister of the Monrovia Methodist Church, and until early September of this year, was a professional baseball pitcher.

His last contract in baseball was with the Oklahoma City club of the Pacific Coast League. Playing in the American League, "Russ" Kemmerer pitched for Boston Red Sox, Chicago White Sox and the Washington Senators.

Following the past baseball season, Rev. Kemmerer was appointed by Bishop Richard C. Raines to the Monrovia pastorate in the Indiana Conference of the Methodist Church.

Increased Community Development of Tourist and Recreation attractions for Putnam County will be the theme for a county-wide dinner meeting scheduled for December 8th.

The Greencastle Chamber of Commerce and the Putnam County Chapter of the Wabash Valley Association are holding their annual meetings jointly in the DePauw Union Ballroom at 6:30 P.M. on this date.

The meeting will feature Mr. Wesley I. Nunn of Heavener, Oklahoma. Mr. Nunn is a retired public relations director of Standard Oil of Indiana, who on retirement as a hobby or vocation, moved into an underdeveloped area of Arkansas and Oklahoma and has almost single handed developed an aggressive five-county tourist area. Mr. Nunn personally developed the Standard Oil Slogan, "As You Travel—Ask Us," and in the Kiamichi area of Arkansas and Oklahoma almost every restaurant, waitress, motel clerk and filling station attendant will be found wearing an attractive button bearing the slogan "What to See—Ask Us," developed by Nunn.

Putnam County is rapidly becoming a focal area for tourist and recreational development in western Indiana. A Tourist Assistance Council is being formed by a group of community leaders to promote and develop this new industry. The Wabash Valley Association and the Greencastle Chamber of Commerce are cooperating with the Community Development Committee of the Extension Service Office in this effort and are lending their support and endorsement through this joint annual meeting.

While Mr. Nunn is in the county, arrangements are being made to hold a public relations clinic for service people including filling station, restaurant and motel proprietors and employees. This will be an afternoon session from 1:30 to 3:00 p. m. in the Fairground Community Building and will be a free session to all attending with refreshments and program being provided by the sponsoring groups. It is hoped that owners and operators will encourage everyone of their employees possible to attend this afternoon session and hear Mr. Nunn describe how to attract and hold visitors to Putnam County. Owners are urged to attend the evening dinner meeting in the DePauw Union building.

Specific reservations for the evening dinner meeting must be made by Saturday noon, December 5, by contacting office of Greencastle Chamber of Commerce.

Opening lead — ♠ 5

South won the first trick with the queen of clubs and led a low diamond to dummy's jack. That was the end of the hand.

East had made a good play by allowing dummy's jack of diamonds to win a trick. South could get to his hand with the ace of clubs to cash the ace and king of diamonds, but he could never make another diamond trick.

As a result of this play South won only three diamond tricks in all. This was not enough for game since he could get only two spades, one heart and two clubs in the side suits.

SECOND LOOK
Take a second look at the hand and see what would happen if East took the first diamond trick with his queen. South would never get back to his hand with the ace of clubs to lead out the ace, king and ten of diamonds. The last two diamonds would then be good, and South would win five diamond tricks instead of only three.

When your contract is three notrump, there's a big difference between winning eight tricks and winning ten tricks. A difference of 730 points, if you want to get materialistic about it.

Now take a third look at the hand to see how easy East's good play was. South had bid and rebid the diamonds and had led the suit at his first opportunity. It wasn't hard for East to assume that South was trying to set the suit up.

Similarly, it was easy for East to assume that refusing the first diamond trick would be a step in the right direction. Perhaps East couldn't tell that this simple play would defeat the contract, but it isn't necessary to be a prophet. It is necessary only to make a simple good play and await developments.

DAILY QUESTION
Dealer, at your right, bids one diamond. You hold: Spade A K 9 6, Heart A J 8 6 3, Diamond J, Clubs J 6 2. What do you say?

Answer: Double. This asks partner to respond in his longest suit (giving preference, if possible, to a major suit). You would rather show support for both majors by doubling than merely overcall with one heart.

FHA News

Tuesday, November 17th, the Roachdale Chapter of FHA met. Mary Bonifacius gave the pledge to the flag. The girls decided that dues would be 50¢, second semester. Roll call was our favorite color. We made arrangements for our Mother-Daughter Banquet on December 7th. With no other business the meeting was adjourned.

Saturday, November 21, at 1:30, the Roachdale Chapter of FHA held a mock District Meeting. The meeting was called to order by the President, Glenda Purcell. Louette Howard, our Vice-President, gave devotion. The other officers held colored candles that pertained to the words of the "Lord's Prayer". Madonna Feltnier, district President, gave a very interesting speech on "What FHA Means To Me." We enjoyed relaxers with our song leader, Barb Wilson. Rita Liveley and Nancy Rogers gave a skit for the entertainment. The girls enjoyed refreshments and dancing after the meeting was adjourned.

Card Of Thanks

We want to thank the people of Chadd Valley and by-passers, who helped us in any way Saturday night at the wreck. We thank the Ambulances, State Troopers, Hospital, Nurses and Doctors.
All we can do is to say thanks.

-Budget

LEJ won for himself a year ago a reputation as an economizer by combing some spending out of the 1955 budget he had inherited from the late President Kennedy. That Kennedy budget was approaching its final form when LEJ took over. The new President began turning off chandelier lights in the White House while his associates planted stories around Washington to the effect that the country was headed for a record-breaking \$100 billion spending budget despite the struggle of economist Johnson to hold the line. But, presto, when the budget was published spending was proposed at only \$97.9 billion. Only ???

IN MEMORY

In loving memory of our wife, mother and grandmother, Mrs. Ruby Sears, who passed away one year ago today, Dec. 2, 1963. One year has passed since that sad day.

When the Lord called her to come away.

Her arms were heavy, her heart full of pain.

But with her last breath, she smiled, she had seen Him again.

We miss her so much, she always gave of her best.

He decided it was time to give her eternal rest.

We'll have her memories as long as we're here.

These we'll always cherish and forever hold dear.

Sadly missed by husband, son and family.

November Meeting Is Held By Club

The Dine and Chat Club met at the home of Mrs. Elvina Ray for their November meeting.

It being Veterans Day and no school, we were happy to have three children as guests.

Mrs. Velda Nees gave devotion and each member responded to roll call by naming something we were thankful for and it was generally agreed we all had much to be thankful for this Thanksgiving season. Minutes of last meeting were read and approved. Mrs. Ray displayed the Teflon skillet she bought with her hostess money.

Everyone enjoyed hearing Roddy Ray and his mother play several selections on the piano.

Several games were played with each one winning prizes.

Delicious refreshments were served by the hostess.

December meeting will be held in the home of Dorothy Branneman. There will be a gift exchange and new officers will be selected.

Cheese Buffet Without Bother

With today's quick-to-fix cheeses, a hostess can be calm and cool, and still celebrate, despite the size of her party. Almost every homemaker must step lively just to keep pace of all her tasks and friendships. But this bustle and rush needn't dim the sparkle of her entertaining. With cheese in all forms, she can produce a buffet without bother around the clock—brunch, afternoon or evening club meeting, or for dessert at dinner. The Borden Kitchen selects Camembert, Neufchatel, Cheddar, Liederkranz, Gouda, Gruyere and Roquefort, all colorfully twinned with fresh fruit.

'Energy Cost' Chart Prepared

CARBONDALE, ILL. (UPI)—Sitting and thinking may be exhausting, but it can't match gardening or swimming, dancing or even ironing for burning up wanted calories.

Frank Konishi, associate professor of food and nutrition at the University of Illinois, has prepared a table of "energy cost" of various activities. It ranged from 4-10 of one calorie when trying at ease to 10-calories while swimming or running cross country.

One small cola drink (106 calories) will cost 35 minutes of walking, 11 minutes of swimming and 2,650 minutes of just thinking, he said.

To burn up the energy in an ice cream soda (255 calories) will require 255 minutes of playing cards at a calorie per minute, or 64 minutes of golfing, or 26 minutes of trotting.

A piece of cake with fudge icing represents 320 calories and it would take 80 minutes of gardening or 32 minutes of riding a bicycle to absorb it, Konishi said.

Just one martini totals 140 calories, but it can be eliminated from your weight system by washing windows for 70 minutes, ironing for 40½ minutes, or 350 minutes (almost 6 hours) of lying down.

Konishi's "energy cost" chart shows the following calorie absorption per minute: Lying at ease, 0.4; sitting, 0.5; standing, 0.8; playing cards, 1; playing the piano, 1.5; driving a car, 1.8; cleaning windows, 2.0; dressing, 2.5; walking at 3.2 miles per hour, 3; ironing, 3.1; playing drums, 3.1; golfing, 4; gardening, weeding, 4; dancing, fox-trot, 4.2; rhumba, 6; tennis, 6.1; swimming, 10; and running, cross country, 10.

Amity Church

Amity Missionary Baptist Church Sunday, December 6, is having a church-wide and community pitch-in dinner following the morning church service at 11:00 a. m. at Amity Church. Dinner will be at the Community Building in Cloverdale, since there are no facilities at the church. Dinner will be served at 1:00 p. m. You are invited to attend this dinner.

An afternoon program is being planned of singing, instrumental music and Green Lake National Camp story told with colored slides, also Vesper service.

No evening service at 7:00 p. m.

Pack Meeting

The November Pack meeting was held Monday, Nov. 30, at 7:00 p. m. at the Sherwood Christian Church. The opening ceremony was held by Den 1. Advancements awarded at the meeting of Cub Pack 90 were as follows: Bobcat, Jim Jones; Wolf, Billy Klebusch and Tommy Wilson. Billy Klebusch also received three achievement awards (one gold arrow point and two silver arrow points). Two Denner Bars were given. Boyed Clearwaters as Denner and Mike McClaine as Assistant Denner. The attendance flag was won by Den 1.

Each Cub Scout and father had as their project for this meeting to make an "invention" from a "Dad and Lad Genius Kit." This proved to be quite interesting.

Den No. 3 put on a very good and interesting skit entitled "The Three Trees."

The meeting adjourned by the group singing "Good Night Cub Scouts." The next Pack meeting will be held January 25.

Epsilon Psi Holds Social Meeting

Epsilon Psi chapter of Epsilon Sigma Alpha held their social meeting at the home of Mrs. Flo Ann Morrison on Tuesday night, November 24.

Mrs. Mildred Hervey, Putnam County's probation officer, was the guest speaker. She cited the different problems that arose and what she does to help solve them. Mrs. Hervey answered questions that the girls had asked and everyone learned what a responsible job the probation officer has.

Refreshments were served by the hostess and everyone left at a late hour having thoroughly enjoyed the evening.

Card Of Thanks

With deep appreciation we would like to thank our kind friends, neighbors and relatives for the beautiful floral tributes and courtesies extended during the loss of our beloved wife and mother, Pauline Phillips. We would also like to thank the doctors and nurses at the Putnam County Hospital, Rev. Edward Roberts, the pallbearers and the Powell Funeral Home.

Roger Phillips and Shirley.

Larry Kiewitt, rural Seymour, Ind., national tractor award winner, receives a plaque symbolizing his achievements from Miss Teenage America, 17-year-old Carolyn Mignini, and the congratulations of L. W. Moore, American Oil Foundation, Inc., president, at the 43rd National 4-H Club Congress held this week in Chicago. As the champion of the Indiana 4-H Tractor Program, conducted nationally by the Cooperative Extension Service with the National 4-H Service Committee, Inc., Larry won a free trip to Chicago as the guest of the American Oil Foundation, sponsor of the program in 40 states. He was selected one of 12 national winners from among all state tractor champions to receive a \$500 college scholarship, provided by the American Oil Foundation.

Lettuce Leaves For Cigarettes

OKLAHOMA CITY UPI — The 30-year search for a "safe cigarette" that tastes like a tobacco cigarette and is harmless has ended in a lettuce patch, the president of a new cigarette company said today.

Perry Resnick of Philadelphia, Pa., said his firm has developed a cigarette made of lettuce leaves.

His cigarettes are "satisfying both to the taste and the family physician," Resnick said. They soon will be marketed as "the cigarette you can live with."

Early testing in eastern hospitals indicate the lettuce cigarettes have little or no effect on the circulatory system, in contrast with the effects of tobacco cigarettes, Resnick said.

Q. What is the name of this cut of meat?

A. A Delmonico (rib eye) roast.

Q. Where does it come from? How is it identified?

A. It comes from the rib section of beef, the same section as is used for the beef standing rib. In a Delmonico or rib eye roast, the back and rib bones, fat and muscle covering over the rib eye are removed. Only the muscle known as the rib eye remains. It is usually cut to weigh from 4 to 6 pounds.

Q. How is it prepared?

A. By roasting. Since the diameter of this roast is comparatively small, it's roasted at a slightly higher temperature than a regular beef standing rib. The temperature used is moderate (350° F.).

Q. How is roasting done?

A. The Delmonico (rib eye) roast is placed, fat side up, on a rack in an open roasting pan. It's seasoned with salt and pepper. A roast meat thermometer is inserted so the bulb reaches the center of the thickest part, making sure it does not rest in fat. Do not add water. Do not cover. Roast to the desired degree of doneness, as registered on the meat thermometer.

The recent surgeon general's report on cigarette smoking not only pointed out the cancer dangers in smoking, but also the injurious effect nicotine has on the circulatory system, including the heart, Resnick said.

Resnick's cigarettes are intended to be an improvement over tobacco cigarettes "to give smokers a way to continue enjoying the smoking habit with improved tastes and without the assault of nicotine on the body," he said.

Pope To India

BOMBAY, India UPI — Pope Paul VI flew toward predominantly Hindu, India, today on "a trip of peace and love" — the longest journey ever made by a ruler of the Roman Catholic Church.

An army of 15,000 Indian police was posted in Bombay to protect the Pope in what was described as the heaviest security guard in India's history.

Helpful Hints

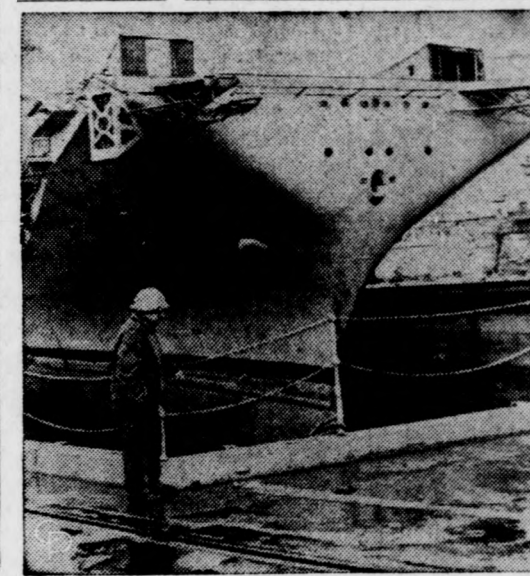

TOLEDO, Ohio (UPI) — The homemaker consultants of National Family Opinion Inc. pass on these helpful hints:

—Use window cleaner on

your formica table tops. They'll look just like new.

—Try tinting some of your white linen tablecloths in deli-

cate shades to match your china and achieve a currently fashionable look for your dining table at a little expense.

GLOOM AND LAUGHTER—Workers are glum at the New York Naval Shipyard in Brooklyn (left), one of 95 military bases ordered closed as an economy move, but workers at the Philadelphia Navy Yard (right) cheer at word their installation will remain open.

Ex-Tax Official Likes His Job

NEW YORK UPI—Mortimer M. Caplin, former commissioner of internal revenue, is enjoying himself.

True, businessmen still occasionally approach him to say

"you remember that ruling you made two years ago on such-and-such. Well that . . . etc"

But his telephone doesn't ring quite as much at night with calls on this or that tax matter.

More important than that said Caplin in an interview here, he is doing the work he likes best. Not only is he back at the practice of law with a

Washington, D. C., firm, but, as chairman of the executive committee and member of the board of directors of Prentice-Hall, Inc., he is at work in communicating knowledge to business and professional men who need it.

Caplin resigned as commissioner last July 10. He is a member of the bureau's advisory committee.

A graduate of the law school of the University of Virginia, he practiced law in New York

from 1941 to 1950, with three years out to serve in the U. S. Navy in wartime. In 1950 he became a professor at the University of Virginia, specializing in tax and corporation law. He was named commissioner Feb. 7, 1961, by President Kennedy.

This picture was taken during the picking of the F.F.A. corn

The Bainbridge Chapter of Future Farmers of America decided last spring to rent some land for a corn plot as a means of making money for the chapter. The chapter rented 7 acres from Jim Wherley, south of Bainbridge. The chapter wishes to thank the following people who donated to the corn plot: Andy Sutherland, Pioneer seed corn; Allen Clodfelter, Funk's seed corn; Putnam County Farm Bureau Co-Op, starter fertilizer; Hartman Farms, liquid nitrogen; Bob Lawson, use of elevator and tractor, and anyone else who helped in any way. The plot made 525 bushels which was sold to Max Clodfelter.

Snacks To Match The Sport

Whatever your favorite sport—football, basketball or winter-time outdoor sports—new canned egg nog will be in season to match rugged appetites. Once a holiday-only beverage, egg nog now knows no bounds in availability or use. It's just like the refrigerated non-alcoholic product which appears in dairy cases during the holidays. But the new egg nog, when stored unopened, keeps its wonderful natural appearance, flavor and food value for months, even without refrigeration. Both active and armchair athletes will cheer for this after-game treat: generous-size mugs of chilled egg nog, sprinkled with pungent nutmeg. Serve during the game for those who merely sit and watch. Here the Borden Kitchen paired egg nog with the fixings for cold meat and cheese sandwiches.

TORNADO!—Mark Thompson, 5, pulls his tricycle out of debris left by a tornado that damaged several homes and farm buildings at Lufkin, Tex. No one was injured.

SILVER STAR 14 YEARS LATER—S/Sgt. Columbus H. Dean of Hattiesburg, Miss., is awarded the Silver Star and Purple Heart for Korea warfare bravery 14 years after it happened. They've been trying to locate him since, and finally found him here at Kindley Air Force Base on Bermuda. He led a squad armed only with rifles and grenades against several enemy positions, killing or capturing 30 of the foe. Dean runs the Kindley eating facility.

JOINT VENTURE

Follows Cold War Pattern

By United Press International

The agonies of those who died, or the fortunate ones who were saved and of those who now have been left behind came forth all too clearly in the accounts of the joint U. S.-Belgian rescue mission to the Congo.

And it becomes the more unfortunate that this mercy mission now should fall into the old cold war pattern.

The same U. S. planes which air-lifted the Belgian paratroopers into Stanleyville and Paulis in rebel-held Oriental Province ferried out nearly 1,700 hostages of the Simbas, or lions, as the rebels call themselves. For more than 80, including at least three Americans, rescue came too late.

Left behind when the rescue mission was declared concluded were an estimated 900 foreigners still in Simba hands, their position even more precarious now than before.

For the propagandists of Moscow and Peking, the operation was tailor-made. They ignored the lives at stake and denounced the mission as a pretext to re-establish Western imperialism in the Congo.

Communist regimes make short work of any demonstration against themselves but mob action can also be an instrument of policy.

Therefore it was no surprise when mobs attacked the U. S. Embassy in Moscow, and U. S. legations in Prague and Sofia.

In Cairo, a mob made up mostly of African students, burned the U. S. Embassy library. In Algeria, President Ahmed Ben Bella promised more arms for the Simbas and even volunteers.

But amid the general uproar which went up from black Africa, there were dissenting voices, and the protest themselves were based not so much on communism but upon black African nationalism.

A voice of powerful dissent came from Nigeria whose Foreign Minister Jaja Wachuka praised the U. S.-Belgian action and said that in a similar situation Nigeria also would attempt to protect its citizens.

Speaking of YOUR HEALTH...

By LESTER L. COLEMAN, M.D.

Accidents—An Epidemic Disease

THE PERSON who might have discovered the answer to cancer was killed today.

The person who might have won the Nobel Prize in literature was killed today.

The person who might have been president was killed today.

All three were killed by a devastating epidemic disease—the disease of accidents.

Accidents are a major public health problem. They take a staggering toll in human life, family misery and dollars.

The statistics of accidents are astronomical. But to many they may be just meaningless figures.

Young Victims

There were 101,000 accidental deaths in the United States in 1963.

There were 16,000 accidental deaths in children under 15 years of age in 1963.

Thirteen million school days were missed because of accidents.

More impressive than these lifeless numbers is the painful realization that one happy, healthy five-year-old, spared from polio, measles, chicken pox, mumps, tetanus and a mastoid infection, was killed by a drunken driver.

Medicines Ineffective

All the startling new medical advances of antibiotics, cortisone, vaccines and heart surgery are ineffective against the disease of accidents.

Since there is no cure for accidents, the only answer is prevention.

Most potential accidents can be recognized and prevented by using ordinary common sense and anticipatory judgment.

(© 1964, King Features Syndicate, Inc.)

Painstaking precautions must be taken to protect our greatest and most priceless resource—the young.

Dr. Virginia Goddard Harris of the Department of Health in Syracuse, N. Y., insists that many accidents, like epidemic diseases, can be predicted. A study of the personality of a child, his behavior patterns and his relationship with family and friends gives valuable information in planning safety measures for accident prevention.

Must Recognize Hazards

Both parents and children must be educated to recognize the hazards of poisonings, gun injuries, traffic accidents and home accidents.

Safety patrols, rigidly enforced speed limits near schools and play centers, and careful supervision of play areas are all vitally important in reducing the possibility of accidents.

The disease of accidents is not caused by bacteria, viruses or cancer.

The accident disease is usually caused by the germ of carelessness.

A Joint Effort

Parents, public health officials, educators, traffic engineers and regular safety surveys of homes can, by prevention only, eradicate this menacing disease.

The child whose life is saved today need not be a scientist, Nobelist or president. Let's just give him the chance to grow up into a happy, normal, healthy human being.

These columns are designed to relieve your fears about health through a better understanding of your mind and body. All the hopeful new advances in medicine reported here are known to doctors everywhere.

Your individual medical problems should be handled by your own doctor. He knows you best.

Seek To Avert Vote Showdown

UNITED NATIONS, N. Y. UPI—The 1964 General Assembly was off to a shaky start today under a stopgap arrangement to avert a showdown on Russia's right to vote.

U. S. Secretary of State Dean Rusk and Soviet Foreign Minis-

ter Andrei Gromyko were meeting for lunch at Soviet delegation headquarters in continuing talks to resolve the potentially crippling dispute.

It was expected that they also might touch on other East-West issues such as disarmament if time permitted.

The United States had demanded that the Soviet Union and seven Soviet satellites be deprived of their assembly votes under U. N. charter regulations

Tigers Romp Over Earlham To Win Net Opener, 117-69

DePauw University's basketball Tigers made an historic debut last night in Bowman Gymnasium as an opening night crowd watched unbelievably as they rolled to a 117-69 triumph over Earlham College.

Reserve forward Jeff McMurtrey's first of two free throws with 4:15 to play shoved the Tigers over the former gym scoring mark of 107 points set in 1960 when DePauw dissected Centre College, 107-60.

DePauw coach Elmer McCall said after the game his team's explosive scoring punch "frankly came as a real surprise."

"I thought we'd be in for a tight ball game," McCall admitted. "I figured it would be a slow game for us regardless of how well or how poor Earlham played."

Savoring his first opening win since 1960, McCall emphasized that one game does not make a season. "It's too early to make any commitment about how successful we're going to be the rest of the way. We're going to be faced with teams that will try to handle us differently and a lot of them will be able to."

A pair of road games this weekend at Wheaton on Friday and Illinois Wesleyan the next night should shed further light soon.

Two small sophomore guards starter Dan Schermer and reserve Jack Hogan — made McCall's pre-game strategy work to a tee though it took an uncomfortable six minutes to unfold.

The idea was to take the defense to the enemy right away. Shake up the opposition's offense. Slow application of the project kept the Tigers and the Quakers locked in a hum-drum 9-9 tie for the first six minutes.

Finally, junior forward Morgan Everson flipped in his third and fourth baskets for a 13-9 lead. Schermer stole a pass for a Hogan layup and Hogan reciprocated and tossed his theft to streaking Stan Bahler for a 17-9 bulge.

DePauw's sticky defense a la Hogan and Schermer and a monopoly around the backboards a la Putt-Bahler-Everson and Rush boosted the count the count to 45-25 in the next frantic seven minutes. Earlham meanwhile mustered a single basket, one of only seven it accounted for in the half which ended 61-35.

McCall used all 13 players in the first half and mercifully pulled his entire first five after 10 minutes of the second half. Morgan Everson, who left the game with 12:10 left on the clock, bowed out with 29 points on 13 baskets in 20 shots and three of six free throws.

Schermer sat down with 11:54 to play with but three points but credit for a defensive performance that unraveled the Quakers early in the game. Center Dick Putt left 75 seconds later with 14 points and forward Stan Bahler followed him at 9:17 with 15 points and a game high of 11 rebounds.

Reserves with the exception of Collins, who was replaced by Hogan in the second half lineup, handled the final nine minutes of action and built a 91-46 advantage into the final count.

McCall said after the game he was pleased with the Tigers' homework on their fast break that formed up repeatedly and turned Earlham miscues into quick buckets several times.

He had praise for a primarily sophomore bench that produced 54 points, especially his guards, Jack Logan, Denny Barrett and Tim Scott. His reserve front line didn't fare badly either. Dean Rush tossed in 16 points, junior center Dick Weber got nine and Jeff McMurtrey and Dick Houston added six and four respectively.

The Tigers used their height advantage for a 66-49 rebound edge that accounted for several multi-shot opportunities at the Tiger basket. DePauw in fact hit almost as many shots (47) as Earlham took (51). DePauw fired 100 times for a .470 average. Earlham went .333 on 17 of 51.

DePauw's Morgan Everson fires off another scoring basket over the outstretched hands of an unidentified Earlham player. A junior forward, Everson scored 29 points for the Tigers last night in the 117-69 victory, hitting 13 to 20 shots during 28 minutes of action. Dick Putt, DePauw center, is number 52. Number 23 is Earlham's center, Al Hart.

DePauw Athletic Awards Dinner Set For Dec. 10

The appearance of Notre Dame football coach Ara Parseghian at DePauw University Friday has been cancelled, according to university officials.

Parseghian was scheduled to deliver the keynote remarks for DePauw's traditional athletic recognition convention at 10 a. m. in McHarry Hall.

School officials said Parseghian would be in New York City Thursday night for the presentation of the Heisman Trophy to Notre Dame quarterback John Huarte. They said existing flight schedules from New York to Indianapolis would not enable the Irish mentor to arrive in time for his speaking engagement.

The remainder of the chapel program, which was to honor the 1964 football and cross country teams, will be cancelled also.

Athletic Director James Loveless said the two squads would receive their awards at a dinner December 10 in the Student Union building.

Houston Astros

HOUSTON UPI — The Houston Colt .45's made an "astronomical" announcement Tuesday night.

This city's National League's baseball team in the future will be known officially as the "Astros."

Judge Roy Hofheinz, president of the club, said the change was "in keeping with the times."

Houston, he said, "is the space age capitol of the world and with our new dome stadium, we think it will also make Houston the sports capital of the world."

Cloverdale Beats Bainbridge 67-53

A hustling defense and a fiery third quarter offense led by five-foot-eleven-inch Clover Roy Sandy put the Cloverdale Clovers back on the victory roster last night as they seemed to fight off a bird dog attack by the Bainbridge Pointers to win their first against Bainbridge in 7 years, 67-53.

First quarter action seemed lop-sided as both teams failed to connect on an unofficial 67 per cent of their shots.

Error after error dominated the hardwood scene as the Clovers lost the ball four times in a row on offense while the Pointers cold marksmen failed to connect.

A slow first period ended with the Clovers leading 12-10.

Jumping back and fourth the hostile lead on the score board changed hands five times before a dual between Ron Rosscock and Ron Hervey gave way as the Clovers held on to their slim lead to close the half 36-35.

Bad Breaks, or whatever, the determined Clovers blasted into a third quarter rally led by hustling Clover junior Roy Sandy (who grabbed three rebounds, stole two key passes, stopped one fast break and tossed in nine quick points, all in the rallying third period) with their one point margin to move out in front of Bainbridge 51-45.

After an explosive fourth

quarter that contained a numerous host of errors, fouls (including one technical against the Bainbridge cause) and slow scoring the Clovers emerged victorious.

Steele paced the Pointers with 19 while Hervey collected 18 for the Clover cause.

The Clovers are now 5-1 for the season after a dominate defeat last week at Fillmore by the overpowering Cascade Cadets. Bainbridge is 2-3 for the season.

CONSISTENT

CLEVELAND (UPI) — Fred Glover of the Cleveland Barons has been named the American Hockey League's most valuable player three times in the last five years.

Staubach, Butkus Will Lead East

SAN FRANCISCO UPI — Navy quarterback Roger Staubach and Illinois linebacker Dick Butkus will lead the East squad in the 40th annual East-West Shrine Game here Jan. 2.

The East squad was announced today, and will include nine All-Americans.

Offensive stars besides Staubach and guards Glen Reesler of Penn State and Steve DeLong of Tennessee, tackle Archie Sutton of Illinois and Tom Nowatzke, Indiana fullback.

With Butkus on defense will be tackle Jim Davidson of Ohio State, George Donnelly of Illinois and Notre Dame linebacker Pat Carroll.

East Head Coach Pete Elliott of Illinois will begin practice with his squad Dec. 22 at the University of Santa Clara.

Pro Grid Fans Set New Mark

NEW YORK UPI — The American Football League has set a new season attendance record of 1,263,186 with three weeks of the season remaining.

Commissioner Joe Foss announced today.

In 47 games, the league surpassed the previous 56-game high of 1,241,741 set in 1963.

Attendance currently is 19.1 per cent over a comparable period in 1963. Foss also pointed out that single game attendance records had been set in Boston, Buffalo, New York, Oakland and San Diego.

The New York Jets' seven-game attendance of 298,972 set a single club record as did the Jets' average of 42,710.

MIGHTY MITE

ST. LOUIS (UPI) — Pat Fisher of the St. Louis Cardinals is the smallest player in the national football league, standing 5-8 and weighing 167 pounds.

Over 1500 Deer Bagged In State

By United Press International
Controlled hunts on three military reservations have netted more than 1,500 deer, Indiana conservation officials have announced.

The gun hunt throughout the state ends Saturday and officials said they felt certain the final total will surpass 1963 figures of an estimated 4,300 kills by gun hunters and 288 by bow and arrow hunters.

About 2,350 deer were bagged last year in controlled hunts at Camp Atterbury, Crane Naval Ammunition Depot and Jefferson Proving Grounds.

All three areas will continue special hunts through the remainder of this week.

Overall, officials said they know that at least 2,400 deer have been shot so far. Final figures, however, were not expected to be available for at least several weeks.

"However, I feel certain we will surpass last year's total," said William B. Ginn, chief of the game section of the conservation department's fish and game division in Indianapolis.

Ginn attributed the projected facts that the deer population in Indiana has increased faster greater number of kills on the than it had been taken off and because the pressure for hunts is not as great as in some other states.

Several Player Trades Likely

HOUSTON UPI — The big question at the baseball meetings today was "who's going where?"

Several clubs wondered where errant Angel Bo Belinsky was going, although the Philadelphia Phillies appear to have the inside track on his services. And, minor league officials pondered which way they should vote on the question of the free agent draft.

Several major potential trades are reported on the verge of being completed during the week of the winter baseball sessions, but the Belinsky-to-Philadelphia transition seems closest to fruition.

Los Angeles boss Bill Rigney admits there's been talk in that direction, but adds that, "They haven't come up with the guy we want."

Speculation had it Tony Gonzalez might be the answer to Rigney's need for more hitting strength, but when the boss Angel was asked about him, he replied:

"His name has never been mentioned."

A stop-watch victory over the Buffalo Bills was given the Quebec Aces a comfortable lead in the Eastern Division of the American Hockey League.

Cleland Morton scored the decisive goal with just 30 seconds remaining in an overtime period Tuesday night to enable the Aces to tie Buffalo 3-2. Earlier, Barry Cullen of the Bisons had tied the contest with only 43 seconds remaining in regulation time.

The victory gave Quebec a five-point advantage over the second-place Hershey Bears. Buffalo is runner-up in the Western Division, six points behind Rochester.

No other games were played Tuesday night.

Nicklaus In Shorts

KAANAPALI, Maui, Hawaii UPI — Golf fans attending the 12th annual Canada Cup matches beginning Thursday will be treated to a rare spectacle—Jack Nicklaus in Bermuda shorts.

The pudgy, newly-crowned U. S. money-winning champion was wearing the shorts when he turned up Tuesday for a practice round at the Royal Kaanapali golf course on this scenic valley isle 75 miles southeast of Honolulu.

SORRY!

WGRE regrets that it will be unable to broadcast the Sullivan-Greencastle game Friday December 4th because of a ruling by the Sullivan Athletic Board prohibiting live broadcast.

Out of town broadcast have been made possible by Coan's Drug Store, First Citizens Bank and Trust, Double Decker Drive Inn, Donelson's Drugs, and Morrison's Tire Company.

Next broadcast will be the Martinsville game at Greencastle, December 5th at 7:45 p. m.

THE BANNER Sports

SPEAKS HERE THURSDAY

Russ Kemmerer, former major league baseball pitcher, will be the guest speaker at the Father and Son dinner meeting at The First Christian Church Thursday evening. Kemmerer is now pastor of the Monrovia Methodist Church. In the majors he pitched for Boston, Washington and the Chicago White Sox.

Greencastle Jr. High Wins Both Games

Greencastle's Junior High basketball teams won two games last evening. The eighth grade defeated a game group of Cascade boys by the score of 41 to 27. The Greencastle Freshmen team had to work hard for their victory over the Cascade Freshmen team 37 to 27.

The Greencastle eighth grade team worked well against the full court zone press used by Cascade. The young boys from Greencastle showed study improvement throughout the game. They were able to work the ball in close for the easy shots.

A REAL BAD DAY—The 49er's John Brodie is shown on one of the more successful of his efforts against the Baltimore Colts in San Francisco on a day he could hardly make anything work. This is a shovel pass to Dave Kopay for a three-yard gain. Brodie threw five passes which were intercepted and committed three fumbles as the 49ers went down 14-3. Colts converging on Brodie here include Guy Reese (75), Ted Davis (35), and S. Stonebreaker (31).

Additional Sports Players Selected By Point System

NEW YORK UPI —The 1964 United Press International All-American Football team under the point system used a player receiving the first place vote of every person participating in the poll would receive 2,849 points.

Poor Opinion Of Officiating

LONDON UPI — Welterweight champion Emile Griffith had more money but a poorer opinion of British officiating today as he flew back to New York after a ninth-round technical knockout over Britain's Dave Charnley in their non-title fight at Wembley Pool.

Griffith received a purse estimated at \$23,800 but he claimed referee Frank Wilson was so busy Tuesday night warning him against low punches and head butts that "I was almost afraid to throw punches to the stomach or to step in with my head in position to slip punches."

Griffith floored the British lightweight champion three times. Two of the knockdowns were scored in the ninth with a left hook to the jaw that stunned southpaw Charnley so much that when he rose groggily, the referee stopped the bout.

Mickey Walker To Be Honored

NEW YORK UPI — Mickey Walker, a living legend of "Toy Bulldog" aggressiveness in the ring, and light heavyweight champion Willie Pastranto, current defensive phantom, will receive the fight game's top awards for 1964, the Boxing

Writers Association announced today.

Sixty-three-year old Walker, former welterweight and middleweight champion who made a specialty of fighting heavyweights in the 1920's and 30's, was voted the James J. Walker award for long and meritorious service to the sport at Tuesday's annual meeting of the writers.

N. D. To Receive MacArthur Bowl

NEW YORK UPI — Notre Dame, invincible until the last 95 seconds of the season, has been named the recipient of the MacArthur Bowl getting the nod over undefeated Alabama and Arkansas.

"The Irish were picked because they play one of the most challenging intersectional rules in the nation," said selection committee chairman Vince Drady, "and particularly in consideration of the fact that they succeeded with largely the same personnel that was able to win only two games the preceding year."

6 N. D. Players Have Signed

MIAMI UPI — A total of six Notre Dame players have been signed to play for the North team under Irish coach Ara Parseghian in the annual Shrine Bowl here Christmas Day.

Coach Paul Dietzel of Army also signed up Monday to help Parseghian coach the North squad.

Players signed included All-America end from Notre Dame Jack Snow, and his teammates tackle Jim Snowden, guard Ken Maglisic, center Norman Nicola and linebacker Tom Kostelnik.

Quarterback John Huarte, the 1964 Heisman Trophy winner for the Irish, had already signed up for the North squad.

Dietzel will bring along Army quarterback star Carl Stychweh, who almost singlehandedly beat Navy 11-8 in their traditional battle Saturday.

Lawmakers Lack Experience

INDIANAPOLIS UPI — The 1965 General Assembly will be perhaps the most inexperienced Legislature in the past quarter of a century of Indiana history.

Nearly all of the House members and many of the senators will be like babes in the woods when the legislative mills begin to grind. Amateurism will be rampant.

Both Democratic majority and Republican minority members of both houses have been hard put to find seasonal lawmakers who can take the leadership to guide the freshmen through the wilderness.

Gone are a host of bigwigs of the past.

Sen. D. Russell Bontrager, Elkhart, who was GOP president pro tem, quit the State Senate to battle in vain for the U. S. Senate. The state will miss his patient persuals of tricky bills that might have cost the taxpayers many dollars had he not burned the midnight oil.

Sen. Roy Conrad, Monticello, who was Republican caucus chairman, was a victim of the Democratic tidal wave and will not be on deck to execute the fancy parliamentary maneuvers of yore.

The bulldog Democratic leadership of Sen. Marshall F. Kizer, Plymouth, will be absent in the upper house and there will be no one to fight as vigorously as he did for the net income tax. Kizer quit the legislative halls to run unsuccessfully for his party's gubernatorial nomination.

Sen. Lucius Somers, Hoagland, Republican, who served longer than almost any other member of the Senate, likewise was swamped by the Democrats.

To Rebuild GOP

WASHINGTON UPI — Republican National Chairman Dean Burch is countering moves aimed at his ouster with elaborate plans to rebuild the GOP from the precinct up.

There is also a possibility

DAIRY WINNERS—Six national winners of the 4-H Dairy Program gather at the 43rd 4-H Club Congress in Chicago during the International Live Stock Exposition. Each receives a \$500 scholarship awarded by the Oliver Corp. From left: Jean Lamb, 18, Greeley, Colo.; Hugh Santos, 18, Riverside, Calif.; Don Bossard, 18, Hornell, N. Y.; Gary Lintvedt, 20, Edgerton, Wis.; Dave Pierson, 19, Lake Elmo, Minn.; Larry Russell, 17, Winnsboro, La.

that the beleaguered party chairman will propose a "little" national convention to which all elements of the party will be invited. The purpose of such a gathering would be to draft a new statement of Republican policy.

Loses Tonsils

LONDON UPI — Beatle Ringo Starr lost his tonsils today.

"Tonsils successfully removed; condition satisfactory," said a bulletin issued by surgeon Miles L. Bormby at University College Hospital.

The poker-faced drummer had shown no concern. "I feel fine" when he entered the hospital Tuesday night. He saddened young fans who had hoped they somehow might acquire the tonsils.

RODDY IN 'CAT'

HOLLYWOOD (UPI) — Roddy McDowall joins Hayley Mills and Dean Jones in the cast of Disney's "That Darn Cat."

Mince Meat's A Fine Finale

Mince meat's a many splendored food which, quite predictably, pops up at many parties throughout the year. Here it's in an elegant role as the exciting finale to a company dinner. Not only does this Mince Meat-Marshmallow Pudding appeal to eye and appetite, it's amazingly simple to make. Just combine all ingredients in one step in a single bowl, says the Borden Kitchen. On a cold, winter night this pudding will be most appreciated when served hot, peaked with hard or lemon sauce and a walnut half.

Mince Meat-Marshmallow Pudding (Makes 8 servings)

2-1/2 cups finely crushed graham cracker crumbs (approximately 18 crackers)
1-1/2 cups ready-to-use None Such mince meat
1 4 oz. pkg. Campfire marshmallows cut into small pieces
1 cup coarsely chopped walnut meats
3/4 cup evaporated milk

Combine all ingredients in a large bowl. Blend well together until thoroughly moistened. Press mixture firmly into eight lightly buttered five-ounce custard cups or molds. Fill cups only two-thirds full. Bake in moderate oven (350°F.) for 30 minutes, or until marshmallows are melted. Unmold. Serve hot with hard sauce or a lemon sauce. If desired, garnish with walnut half.

Wirtz, Union Officials Confer

WASHINGTON UPI — Labor Secretary W. Willard Wirtz meets again today with union representatives in an effort to close the gap in a wage dispute which has threatened a nationwide railroad strike. Wirtz met for two hours Tuesday with labor negotiators. Neither side would comment after the session.

Three non-operating unions—sheet metal workers, machinists and electrical workers—were holding out for more pay. Wirtz said that the two sides were only 10 cents an hour apart.

Eight other shopcraft unions settled earlier with the railroads. Their contract followed agency board's recommendation for a 27-cent hourly increase spread over three years.

USW Drafting Wage Demands

PITTSBURGH UPI — The United Steelworkers union (USW), embroiled in its first major internal power struggle, today begins drafting contract demands it will make soon in the nation's booming basic steel industry. Developments here will be watched closely by the Johnson administration in Washington and by executives of the "big

11" steel companies who hold labor agreements with the 1.2 million-member USW.

The union's 33-man executive board, headed by USW President David J. McDonald, was to convene in a downtown hotel suite at 10 a. m. EST.

Group Planning Halleck Ouster

WASHINGTON UPI — A group of "young turk" congressmen sought support for

an early House GOP caucus which might prove the opening round of a battle to oust Republican Leader Charles A. Halleck.

Spokesmen for the "moderate conservative" legislators insisted that the proposed mid-December meeting was intended only to plan a positive approach to GOP problems resulting from the Democratic election sweep.

There are no election plans to oust Halleck, it was said, but one member of the group conceded that this might be the end result of such a session.

The Republican caucus traditionally is held only a few hours before the opening session of Congress. The GOP leadership, Halleck and Republican conference chairman Gerald R. Ford, Mich., planned to follow that procedure in January.

But the dissidents, invited by Rep. Thomas B. Curtis, R-Mo., to a "where-do-we-go-from-here" meeting in the office of Rep. Robert P. Griffin, R-Mich., contended this timing was bad.

Halleck's office quoted the Indiana congressman as saying, "I can be back any time. When the Jan. 4 conference was set up it was with the idea that a conference at that time would be most convenient to the most members."

A Halleck aide said the Jan. 4 date was agreed upon after an informal poll showed that most members did not want to

be recalled to Washington during the holiday period. There was some doubt, too, the aide said, whether a majority of the membership could be present at an earlier meeting.

YOU'RE TELLING ME!

By WILLIAM RITT
Central Press Writer

AMERICA'S oldest physician, Dr. Katherine Haage Swartz of Oak Park, Ill., has just celebrated her 103rd birthday. No question about it—she certainly must practice what she preaches.

Wonder if Oak Park's grand old lady got birthday greetings from that other youngster observing a November birthday—former Vice President John Nance Garner, age 96?

November must be a great month to be born in—as that young fellow over in England, Sir Winston Churchill, will attest. He's 90.

Meanwhile, we see where Soviet scientists report a sea serpent being spotted in Siberia's Lake Khyeyr, on the edge of the Arctic Circle. We doubt, however, if it becomes a tourist attraction like Loch Ness' elusive monster.

U. S. planes flying at more than 60,000 feet report encountering clouds of ammonium sulphate, a fine fertilizer. However, that's 12 miles high to do your front lawn any good.

Some Yezid tribesmen of Iraq still worship Satan in the form of a peacock—Factographs. The devil you say!

The 1964 United States commercial apple crop is estimated at 141,200,000 million bushels. That should be enough for a record number of pies with plenty left over to take to teacher!

TRYING TO AVERT RAIL STRIKE—Francis O'Neill (right), a federal mediator, and James (Doc) Wolfe, chief negotiator for the carriers, confer in Chicago as they attempt to avert a nationwide railroad strike set for 6 a.m. Monday.

VETERAN, RETIRING LAWMAKER HONORED—Rep. Carl Vinson, 81, who is retiring from Congress Jan. 1 after serving 25 consecutive terms in the U. S. House, laughs until he cries during a luncheon in his honor in his home town of Milledgeville, Ga. The speaker was spinning yarns about Vinson's early years in Congress.

WHITE HOUSE WEDDING CAKE—This was the wedding cake the First Family shared at a private White House dinner observing the 30th wedding anniversary of President and Mrs. Johnson. The pictures on the cake are (from left, top) the Johnsons at the Taj Mahal, 1961; honeymooning in Mexico, 1934, and after Johnson's heart attack in 1955; lower, the First Family in Austin, Tex., on election night this year.

GETTING IN SHAPE FOR BIG PULL—With the Christmas season hard upon us, Santa Claus is paying extra attention to getting his reindeer in shape for the big pull the night of Dec. 24. These are Lapland reindeer grazing at Santa's village near Dundee, Ill.

MALAYSIAN RIVER PATROL—With weapons at the ready, royal Malay troops ride a flat boat as they patrol a river in Sarawak, Malaysia. Patrols are constantly on the alert for possible Indonesian infiltration.

The Right Coat Meets the Right Car

Concentration on the part of designers and engineers built the Monaco—the finest Dodge ever produced. Equal concentration on the part of designers resulted in Weatherbee's car coat in Cone's giant wale corduroy. Here the stylish coat, modelled by bright 'n' beautiful Sandy Zuckert, meets the low, lithe, rakish lines of the two-door hardtop.

Mrs. Jane Dickerson of near Roachdale spent Tuesday with Mrs. Glenda Burdine and children.

The infant son of Mr. and Mrs. Doug Alexander was buried at the New Maysville Cemetery on Monday. Service was conducted by Rev. Cole.

Mrs. Doug Alexander returned

from the hospital on Thursday.

Mrs. Marjorie Soots and sons, David and Keith, spent Thanksgiving Day with her daughter Mrs. Glen Huff and family at Greencastle.

A shower was given to Mr. and Mrs. Larry Lewis at the home of Mr. and Mrs. Leon Tippon on Saturday night.

Glenda Burdine and children, Jerry and Ricky, spent Monday afternoon with Lulu Ward and Sunday afternoon with Vicky Hart.

Palestine News

Mr. and Mrs. Bill Terrell, Mrs. Mary Buckles and Mr. and Mrs. Jack Hutcheson and children spent Thanksgiving with Clar-

ence Beck. Mrs. Buckles, Rhonda Sutherland and Gary remained over the weekend.

Mr. and Mrs. Dee Hand of near Muncie, Harrah Jane Hand of Bloomington and Larry Hand of New Albany and Mr. and Mrs. Chas. Cottrell of Danville spent Sunday with the Ott Hand family.

Mr. and Mrs. Gerald Ray Beck called on Mr. and Mrs. Raymond Beck at Shelbyville.

Earl Pike and son, Richard of Terre Haute and Dale Gibson and Charles Lertz spent Friday with Henry Osborn.

The term "enriched" on packages of grain foods means that the important B vitamins and minerals have been restored.

These are thiamine, riboflavin, niacin and minerals lost when the bran and germ are removed from the kernel during the milling process.

Store salad ingredients in the refrigerator — If prepared ahead of time — without the dressing. Keeping them cool helps prevent loss of nutrients.

To find the best among different size containers of the same food, compare the costs of an ounce or a pound of the food from each container.

Food expenditures in 1963 took a little less than 19 percent of personal disposable income.

Dr. and Mrs. Howard Burkett and sons David and Richard brought food and honored David Burkett with a birthday dinner on Sunday at the home of his grandparents, Mr. and Mrs. Zepha Burkett.

Mr. and Mrs. James Clodfelter and children Jay and Cindy attended a family dinner at the home of Mrs. Clodfelter's parents, Mr. and Mrs. Raymond Cunningham of Russellville. Since Mr. and Mrs. Cunningham are leaving for Florida on Tuesday to spend the winter

The Daily Banner, Greencastle, Indiana, Wednesday, December 2, 1964 13

they had their family Christmas dinner and exchange of gifts Sunday.

Mr. and Mrs. Harold Barker and son Dale spent last Thursday with Mrs. Barker's sister, Mrs. Helen Bosley and husband.

The Jr. High Church School class of Union Chapel Church enjoyed a party at the church on Saturday evening. Seventeen young people and two chaperons, Mrs. Russell O'Hair and Mrs. Gene Unger were present.

Mr. and Mrs. Don Clodfelter and family were week end guests of Mrs. Elmer Clodfelter. Miss Dartha Nicholson spent the weekend holidays with her

parents. She and her mother were in Terre Haute Saturday and Dartha had lunch with a is in Rochester. The Nicholsons had Thanksgiving dinner with Mr. and Mrs. Ralph Lawter and son of Russellville.

CORNY TREAT

Try this corn bread variation. To a package of corn bread mix, add 1 teaspoon oregano and one (4 ounce) can of sliced mushrooms, drained, along with the egg and milk called for on the box. Bake in a pre-heated hot oven (425 degrees) about 20 minutes. Makes 6 servings.

STEEL SPECTACULAR ON THE RISE

Construction of the St. Louis Gateway Arch, destined to be the nation's highest monument (see chart for comparison with Washington Monument and Statue of Liberty), is now past the half-way mark—over 300 feet, or higher than a 30-story building. The 630-foot monument, made of more than 5,000 tons of various forms of modern steels, will commemorate America's westward expansion following the Louisiana Purchase. Designed by the late Eero Saarinen, the Arch's gleaming stainless steel plate skin will be visible for 30 miles. A special train will whisk visitors up the Arch's hollow steel plated and reinforced legs in less than two minutes to an observation platform within the top.

THAT ROME TRUNK MYSTERY—A policeman in Rome looks into the strange trunk in which a U. A. R. embassy linguist, Morocco native Josef Dahan, 30, was found incarcerated just before it was to be put aboard a plane bound for Cairo. He had been drugged and bound and gagged, but came to and managed to make some noise. Two U. A. R. representatives got the heave-ho out of Italy in the bizarre case.

Boy Fires Shot At His Teacher

WADESVILLE, UPI — A 17-year-old boy fired a shot at his chemistry teacher in a North Posey High School classroom Tuesday from one of two guns he brandished and pumped five more bullets into the wall of the room after taking two girls as hostage and forcing his classmates to leave.

Authorities put the youth in Posey County Jail at Mount Vernon when he surrendered the guns following a plea by a classmate who persuaded the police to let him talk to the youth.

The dramatic scene occurred Tuesday afternoon when the youth suddenly drew two .22 caliber automatic pistols from a paper bag in the classroom, shot at his woman chemistry teacher and ordered the teacher and 18 pupils to leave.

As the classmates filed out, the youth stopped two girls and

held them hostage.

The teacher called Principal Lloyd Hutchinson. Hutchinson phoned the police and tried to persuade the youth to surrender by speaking to him over an intercommunications system.

But the youth answered Hutchinson's appeal by firing five shots into the intercom speaker and the chemistry classroom wall.

When state police and Posey County authorities arrived, Donald Koch, a classmate of the youth, talked the authorities into letting him enter the classroom and persuade the youth to give up.

The girls, identified as Ann Kay Geisler and Susie Heal, were unharmed.

King Reports Arrests Due

WASHINGTON UPI — FBI Director J. Edgar Hoover expects arrests shortly in connection with the summer slaying of

three civil rights workers in Mississippi, according to Negro leader Rev. Martin Luther King.

King said Hoover informed him of the imminent arrests during a meeting Tuesday at FBI headquarters. The meeting was held at King's request. The two, accompanied by aides, talked in Hoover's office for more than an hour.

King did not say how many arrests were expected, but other sources indicated that 10 or 11 persons may be charged, including some "in official capacities."

Probers Study Baker Payoff

WASHINGTON UPI — The Senate Rules Committee's wide-ranging Bobby Baker investigation turned today to a \$1,500 payment received by a former congressional employee from self-styled "bagman" Don B.

Reynolds.

The committee planned to summon William N. McLeod, former chief clerk to the House District of Columbia Committee, for questioning about the \$1,500 he got from Reynolds.

Reynolds, an insurance man from suburban Silver Spring, Md., told the committee Tuesday he paid the money for the "many favors" McLeod had done for him. These included helping shepherd through Congress in 1960 a bill authorizing construction of the \$17 million D. C. Stadium.

Reynolds said he was the "bagman" for Democratic party payoffs in 1960, including \$15,000 for the campaign chest of Sen. Lyndon B. Johnson. He said he served as the go-between in funneling up to \$35,000 in alleged kickbacks from the D. C. Stadium contract to political campaign chests and to individuals, one of whom was Baker.

The committee's four-hour public hearing Tuesday, during which Reynolds was the only witness, brought renewed GOP

demands for the appearance of former White House Aide Walter W. Jenkins.

Sen. Carl T. Curtis, R-Neb., also accused committee counsel Lennox P. McLendon of trying to "becloud the record and discredit" Reynolds, instead of searching for the facts in the case.

Committee Chairman B. Everett Jordan, D-N. C., told Curtis the request to summon Jenkins would have to be decided by the full committee. Then he snapped: "What are you laughing about. You have a vote."

"That's what bothers me," Curtis replied with a smile. "It always has been 6-to-3 against me." Democrats control the committee 6-3.

Former Soviet Envoy Dies

MOSCOW UPI — Soviet Deputy Foreign Minister Arkady Sobolev, a former Soviet ambassador to the United Nations,

has died, it was announced today. He was 61.

The official Tass news agency carried an obituary signed by Foreign Minister Andrei Gromyko calling Sobolev's death "a serious loss to the Soviet diplomatic service."

R. R. Engineers Get Pay Hike

CHICAGO UPI — Locomotive engineers of 163 railroads will get \$1.75 more per day starting next week.

The wage hike was ratified Tuesday by the general chairman of the Brotherhood of Locomotive Firemen and Engineers. The new contract involves 28,000 locomotive helpers, hostlers and engineers represented by the brotherhood.

Locomotive helpers firemen and hostlers will receive two yearly pay increases of nine cents an hour retroactive to last Jan. 15.

High And Low

NEW YORK UPI — The lowest temperature reported this morning to the U. S. Weather Bureau, excluding Alaska and Hawaii, was 15 below zero at Devils Lake, N. D. The highest reported Tuesday was 76 at Yuma, Ariz.

Crossbred Hog Grand Champion

CHICAGO UPI — A 215-pound nameless, crossbred hog from West Texas was selected as grand champion barrow Tuesday at the 65th international live stock exposition.

Buel Liner of Lubbock, Tex., ushered the pig into the ring to win the top honor over seven other breed champions from seven states.

About 435 barrows were brought to the exposition, including the grand champion that is half Duroc, a quarter Yorkshire and a quarter Hampshire.

The champion, shown by Swinebreeders Co., Lubbock, Tex., didn't have a name when it entered the ring but Liner promptly christened it "Buster" upon winning the title.

Study Adoption Of Baby Girl

LOS ANGELES UPI — Mr. and Mrs. James MacIsaac, who have seven children, today were trying to decide whether to adopt a baby girl abandoned in their truck.

"I would love to have her," said Mrs. Patricia MacIsaac, 41, Granada Hills, Calif., Tuesday. "The kids can see no reason why we can't have her, even though I work part-time days as a waitress."

"But I figure I don't stand much of a chance with seven children."

A spokesman for the bureau of adoptions said that should MacIsaac, a 43-year-old lathe operator for an electronics firm, and his wife decide to adopt the newborn girl, they would be given "full consideration."

Viet Reds Hit District Capital

SAIGON, South Viet Nam UPI — In a lightning pre-dawn strike, Communist Viet Cong guerrillas swarmed from the mountain jungles northeast of here Tuesday and overran a major district capital, Vietnamese military sources said today.

The target was Thien Giao, a key railway town 101 miles northeast of here. The assault by a battalion of insurgents produced the most serious government military setback in several months.

Fourteen government troops and the district chief officer were slain. Thirty government troops were wounded and six others missing, possibly captured.
